

Argus 3

Outdoor WiFi Security IP Camera with Spotlight

Go Anywhere. Light up Anything.

Get wire-free security anywhere you need it with Argus 3, a battery or solar operated security camera with motion spotlight and siren. See what's going on in Full HD, illuminate dark corners and stop the crime before it happens.

Color Night Vision

See full-color images at night with the spotlight on.

1080p Full HD

Capture and save clips in clarity and vividness.

WiFi Connection

2.4 GHz WiFi for simple and flexible wireless setup.

Rechargeable Battery

Long-lasting on one charge. No power cable or outlets needed. Zero-cable installation.

Solar Powered

Stay fully-charged with Reolink Solar Panel. No more battery replacement.

IP65 Weatherproof

Ready for outdoor or indoor use.

Two-Way Audio

Built-in mic & speaker to listen in and talk back in real time.

PIR Motion Sensor

PIR sensor detects motion and triggers instant alerts. Set PIR schedule or tweak motion sensitivity to fit your needs.

Privacy Masking

Black out areas within the camera's view that you don't want to be recorded.

Remote Access Anytime

Stream live feed, trigger siren and light alarm, replay clips on your phones anywhere and anytime.

Flexible and Secure Storage

Insert a micro SD card for local storage.
